

## **BASSETT BLOGS**

### **Bassett Blog, 2005/06: The Balanced Scorecard**

NAIS is attempting to borrow a strategy called "The Balanced Scorecard" long-employed in business (first introduced in the Harvard Business Review over 20 years ago), and apply it to our own operations.

### **Bassett Blog 2013/04: On Serious Secondary School Scholarship**

I've often said that all NAIS schools are "college-prep," even the early childhood schools like The Children's School (Connecticut) [age 2 through eighth grade], and the learning differences (LD) schools like Lawrence School (Ohio) [grades K – 12], and scores of other independent schools like them

### **Bassett Blog 2013/06: On Disruptive Innovations**

Education PS-20 (i.e., early childhood through graduate school) is struggling to find the right path educationally and economically to capitalize upon the potential of online learning.
